### **Library COVID-19 Update**

*All information is as of January 1, 2021.* The library currently is open but with limited services- curbside services for pickup of materials, faxes, prints, copies, and library cards. We are allowing one hour appointments to be made for use of computers, the TN Room, or for use of our wi-fi inside the building with a device.

You can request items by emailing or calling the library with a list of authors, genres, or titles or by asking for a customized mystery bag. We do also have a listing of books that were added to our collection over the last month. You can also go to our website at [chestercountylibrarytn.weebly.com](http://chestercountylibrarytn.weebly.com) and view new items on our home page or scroll through our recent Facebook posts. We will still have hotspots circulating. When it is your turn for a hotspot (current waiting time is approximately one month) you will be called and an appointment scheduled to pickup your hotspot. You will need to make an appointment to drop your hotspot off the following week as well.

For our patrons that do not want to use our online catalog but want to see what DVDs we have in our collection, please go to [chestercountylibrarytn.weebly.com](http://chestercountylibrarytn.weebly.com). On our home page, we have a PDF file that shows an alphabetical and numerical listing of all of our DVDs. You can access this without logging into our catalog and on a phone, tablet, desktop, or laptop! You can also make an appointment to come by and we will bring the DVD listing out to your vehicle for you to look at and decide what you would like to checkout.

We understand that this is an inconvenience, but please know that we are doing everything we can to remain open to serve our community in every way possible. If you have any questions or concerns, please contact the library director (Savannah Gilbert) by phone at 731-989-4673 or by email at [library@chestercountylibrary.net](mailto:library@chestercountylibrary.net). Please keep in mind that we only have one phone line. If you call and receive a busy signal or no answer during normal business hours, please wait a moment and call again. We are doing everything possible to keep phone calls short. Please do not come to the library and knock on the door.
